Pupils may wish to bring notebooks and shirts for signing on Friday 15th June after their Physics exam. The Leaver's Celebration of Achievement on **Monday 25th June at 4.00pm** is the final time that all of the year group will be in school together; details of this have already been communicated to parents and carers in a separate letter.

Pupils will officially leave school when they have completed the signing out process after their final examination. All textbooks should be returned, lockers emptied and locker keys handed in to Student Services. The signing out sheet will be issued by Mr Gibbon-Hayes when the locker key and all books have been returned, and the locker has been checked. If any pupils have misplaced or lost any books or their locker key they **must** inform the Business Office immediately and invoices will be produced and sent to parents/carers for all missing items. The deadline to complete the signing out process is **Monday 25th June 2018**.

Could I also remind parents and carers of the need to download your child's reports from Go4Schools before **Thursday 21st June 2018** as access will be lost after this date.

Looking forward to the summer, examination results will be available for collection from the Main Hall on **Thursday 23rd August from 9am to 12 noon**. For those who are unable to attend at this time the results will also be issued from reception on **Friday 24th August from 9am to 12 noon**. **Please note that the results can only be collected by the pupils.** Your child can contact the school to make alternative arrangements for collection if required. Leaving documents for those we were unable to attend the Leaver's Celebration of Achievement event will also be made available for collection at this time, as will the Year Book. We will contact our Graduates in the autumn term to invite them to collect their certificates once they become available.

On a personal note, I would like to thank all parents and carers of our Year 11 pupils for the help and support that you have given to the school over the past five years. It has been a great privilege to work with these amazing young people and I am sure they will have a very bright future.

If you have any queries regarding the revision sessions then please do not hesitate to contact Mr Wyness, Deputy Headteacher. For queries regarding the arrangements for signing out and results collection, please contact Mr Gibbon-Hayes, Year Leader. I look forward to seeing Year 11 pupils at the Leavers' Assembly, and then, in their finest attire, at the Prom on Thursday 28th June!

Yours faithfully
