We expect to find God at work in our school.

THE CHURCH OF ENGLAND

9th February 2018

Dear Parent/Carer

After nearly five years education here at St. Hild's, your child is nearing the end of their journey with us and will soon embark on a new educational adventure. First of all, we would like to thank you for the support you have given to us over the years, and want to send our heart felt wishes, and good luck to your child, as the 2018 Summer examination series approaches.

The next 10 school weeks are the most important in your child's education to date. They will need the full support of the school, their peers and indeed their family, to ensure they achieve the best possible grades. As a first step in the build up to the exams the school day for Year 11 will be extended. "Period 6" will start 19th February and will continue every school day until the end of the examination series (29th June). "Period 6" will be delivered in different ways over the coming weeks. For the first 8 weeks revision support will be in place spanning over a two-week period. After the 8 weeks of "Period 6" revision, pupils will be given a more bespoke timetable and revision package. This will allow pupils time to focus when it matters most, and also at key times to promote and perfect their learning.

We expect all pupils to attend "Period 6". We need your support in helping your child succeed by working with the school to ensure attendance at every "Period 6" on offer.

We will be in touch over the following weeks to update you on future plans for revision. All intended revision sessions will be displayed on the schools website (www.sthilds.org.uk) to keep you fully informed.

Your child will be bringing home a paper copy of this letter for them to use as a daily reminder of what is on each day.

If you have any queries about the above information, or about the revision schedule below please contact Mr Gibbon-Hayes or myself via the schools main office.

Thank you

Paul Wyness
